

Art & Tami Lindberg purchased the Schuyler Lumber business located at 812 West 16<sup>th</sup> Street in Schuyler. As new owners, they have changed the name of Schuyler Home and Building Supplies (SH&BS). Schuyler Lumber had been in operation in Schuyler for 29 years as a branch/subsidiary of Shelby Lumber from Shelby. Prior to that it was Highway Lumber for many years.

Schuyler Home & Building Supply is a supplier of building materials for Schuyler and surrounding communities as well as a source of labor to do minor installs for people when needed. With expanded business hours, their products include a wide variety of lumber and building supplies and a source to order/sell doors, windows, siding, shingles, vanities, etc. for houses and all building needs.

SH&BS also offers custom work such as tables, chairs, window repair, & keys and will continue their success in working with and supplying the local high school with materials for their shop class projects such as building sheds to sell and support the class in its home building every year.

Art Lindberg stated, "Here at Schuyler Home & Building Supply we are proud to be serving the Schuyler community and surrounding areas. By keeping this business open, with the help of NENEDD securing a loan for us, we have been able to keep jobs here in Schuyler. We are proud to say that not only have we been able to keep the 4 existing jobs that were here prior to the sale / purchase of this business we have ADDED jobs!!"

They now have a team of four full time employees and four part time employees, with the hopes of adding more in the future. Their part time employees consist of both high school students and adults.

They are striving to be the best Hardware / Lumber retailer in the area, even though they are competing with a big box store 16 miles away. Art continued, "With the help of NENEDD we are glad to say that we will continue to be a strong contributor to the continuing growth of the City of Schuyler, Nebraska."

NENEDD provided technical assistance and loan funds to purchase the business. NENEDD and the Lindberg's partnered with Pinnacle Bank in Schuyler to finance the purchase.

Hours of operation:  
Monday – Friday - 7:30 – 7:00  
Saturday: 7:30 – 2:00
