

John Martin and Jason Gaver purchased the Daylight Donuts business in Columbus. The business has been in operation since 1975 and offers daily sweet fried treats/donuts such as glazed, cake, long john, twist, Bismarck, cream filled, pudding filled, chocolate frosted, and maple frosted. They also serve biscuits and gravy, coffee, milk, juice, hot chocolate, and cappuccino. It's located in central downtown at 1266 27th Ave. in Columbus alongside many well-known businesses, banks, shops, government offices, and other essential businesses.

Northeast Nebraska Economic Development District (NENEDD) provided technical assistance funding and partnered with Great Plains State Bank in Columbus for the acquisition. NENEDD, John, and Jason also partnered with Loren Kucera, Director of the Nebraska Business Development Center, for business plan and loan packaging assistance. The project maintained four jobs, including John.
