

Nathan Potts purchased a building at 405 N. Broadway in Hartington to expand his taxidermy business, Potts Taxidermy. He does taxidermy services for all North American game species for clients anywhere from Kearney to Hartington to Sioux Falls. Besides fish, birds and mammals, he also does European mounts which not all taxidermists do.

Northeast Nebraska Economic Development District (NENEDD) provided funding and partnered with Security Bank in Hartington and Fullerton's LB840 funds for Nathan's business expansion. NENEDD also provided business plan and loan packaging assistance.
