Northeast Nebraska Economic Development District

## Mission Statement

The mission of the Northeast Nebraska Economic Development District is to build communities, empower families and advance businesses through the use of a Comprehensive Economic Development Strategy.

**The Northeast Nebraska Economic Development District** (NENEDD) is a 16-county regional development organization that encourages collaboration between local government officials, community-based organizations and the private sector. NENEDD provides the link between federal and state programs at the local level where development actually occurs.

NENEDD is governed by a Board of Directors comprised of private citizens and elected officials who represent various economic interests. Each NENEDD member community and county have representation on the Council of Officials. A nine-member Board of Directors is elected each year by the Council of Officials.

### Membership *(Villages, Cities, Counties)*

**As a member of NENEDD, you are expected to support the goals and mission of the organization and be a part of the decision-making process by appointing a representative to the Council of Officials. This and payment of annual dues are the only commitments of NENEDD membership.**

### Investments Communities

**$1.35/capita**
**($680 min.)**

**Counties $930**

**NENEDD is supported by a combination of funds. A yearly planning grant from the U.S. Department of Commerce — Economic Development Administration (EDA) is matched by local membership dues. NENEDD derives most of its funding from local membership dues and special contracts.**
